A Successful BIG Weekend

The saying goes that "Everything is bigger in Texas." Well, at Fairmount we do things in a pretty BIG way too. This past weekend we held two BIG service projects. On Friday night, approximately 400 Fairmount people gathered together for the BIG Feed to package 70,000 meals to be shipped to Haiti. We finished in 75 minutes! It was unbelievable. Then on Saturday morning approximately 325 more Fairmount people came together for the BIG Build and built 200 walls which will make up 9 houses and 3 churches in Haiti. Over the weekend, we were able to spend time and partner with our friends at Stop Hunger Now, Crossroads Missions and Northwest Haiti Christian Mission.

Thank you to everyone who participated in these events. Thank you also to Rose Williams for her organizational skills on the BIG Feed and Mike Banton for all of his work and for cooking lunch for the BIG Build. Working with people like Rose and Mike make my life a whole lot easier!

Enjoy these pictures from our very BIG weekend at Fairmount!
